

A Bushel of Letters

Cut apart the pictures below. Paste them on the apple basket page, matching the beginning sounds to each letter.

Picture Key: apple, pie, basket, juice, seeds, worm, tree, candy/caramel (apples)

Syllable Count and Clip

Apple Pre-K/K Pack

Directions:

*Print these cards onto cardstock, cut apart, and laminate for durability.

*Lay one card out at a time on a work surface. Say the name of the picture like this "ap-ple"; separating the syllables with a little pause. Do it again and clap once for each syllable.

*Using a clothes pin, clip the correct number of syllables for each picture. If you're doing this activity on a rainy day, you can also have your child jump for the number of syllables to release some energy!

*After modeling, let your child try it out!

tree

DIRECTIONS:

Cut out the pictures and paste them all around the TREE Mat. Say each picture's name as your child glues them down to demonstrate how they rhyme. If the child is ready, see if he can brainstorm more rhyming words (real & silly words).

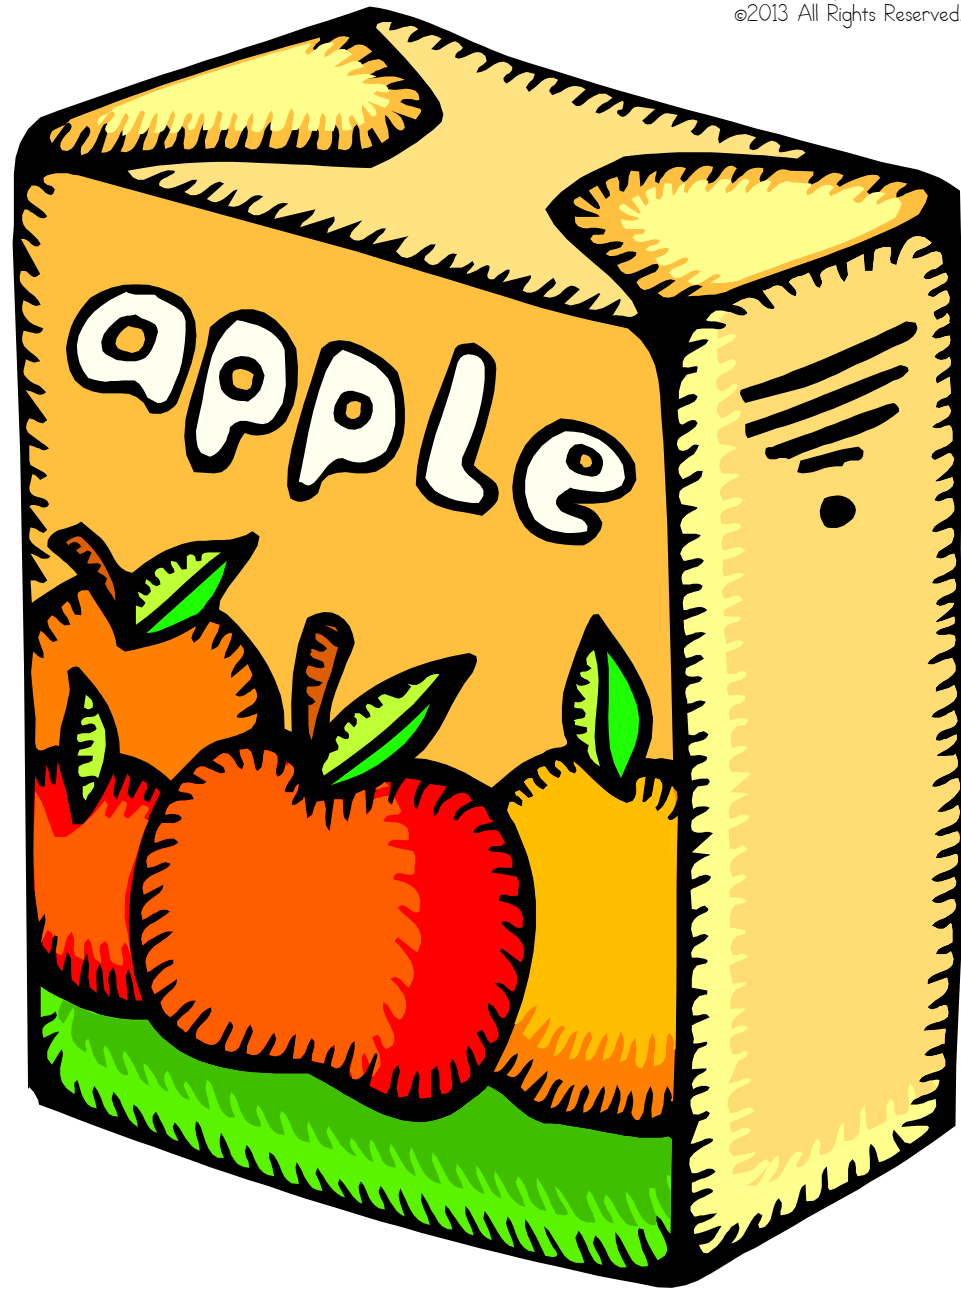

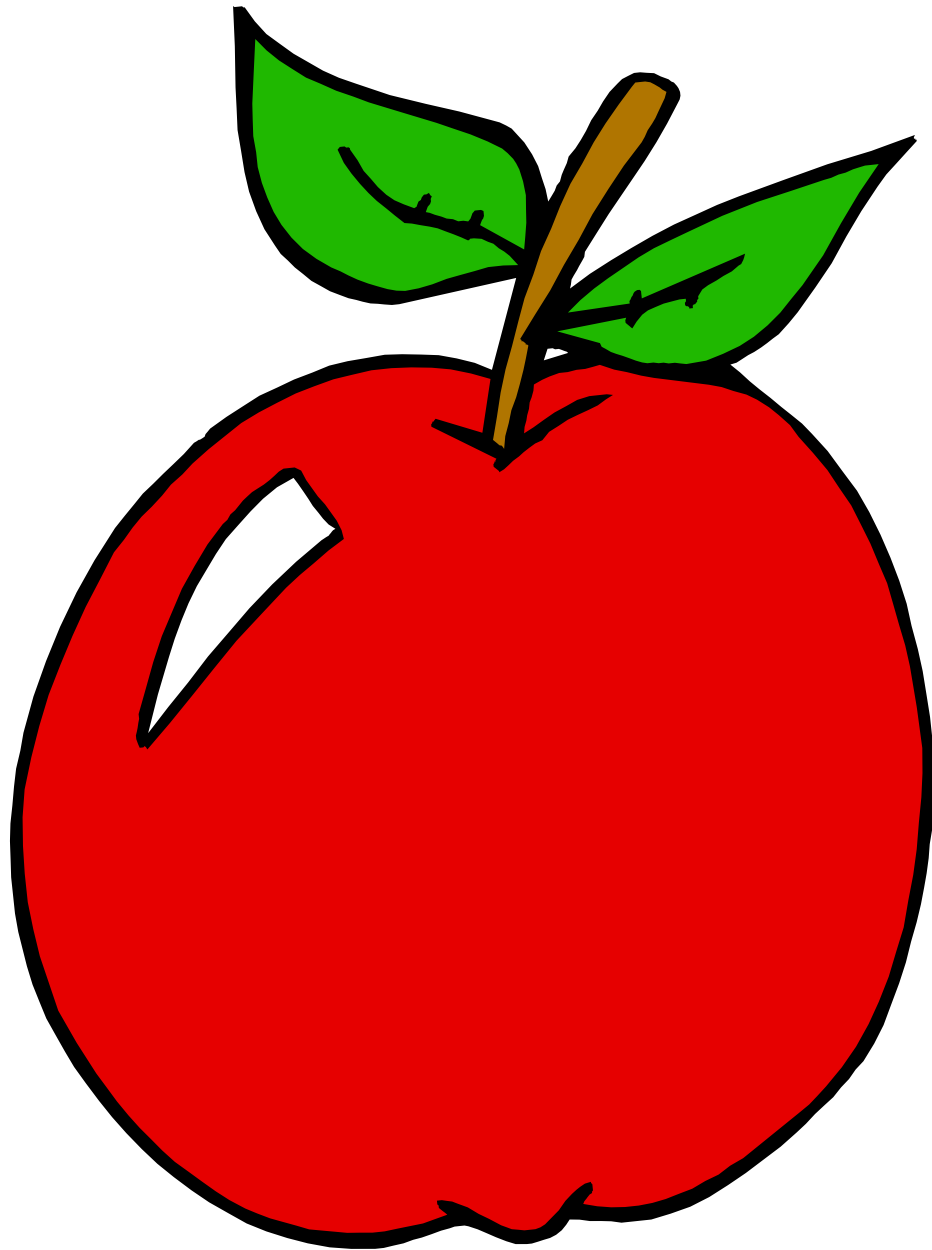

Apple Lacing Cards

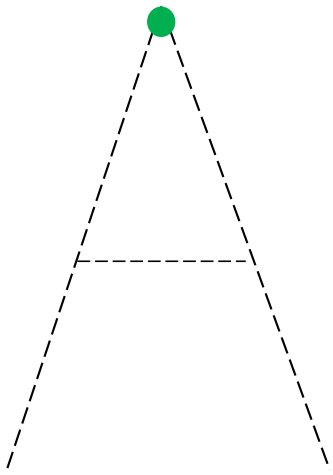

Apple Pre-K/K Pack

Print onto card stock, laminate, and punch holes to make lacing cards.

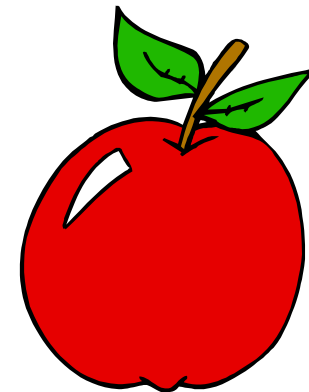

is for apple

Apple Poke Page

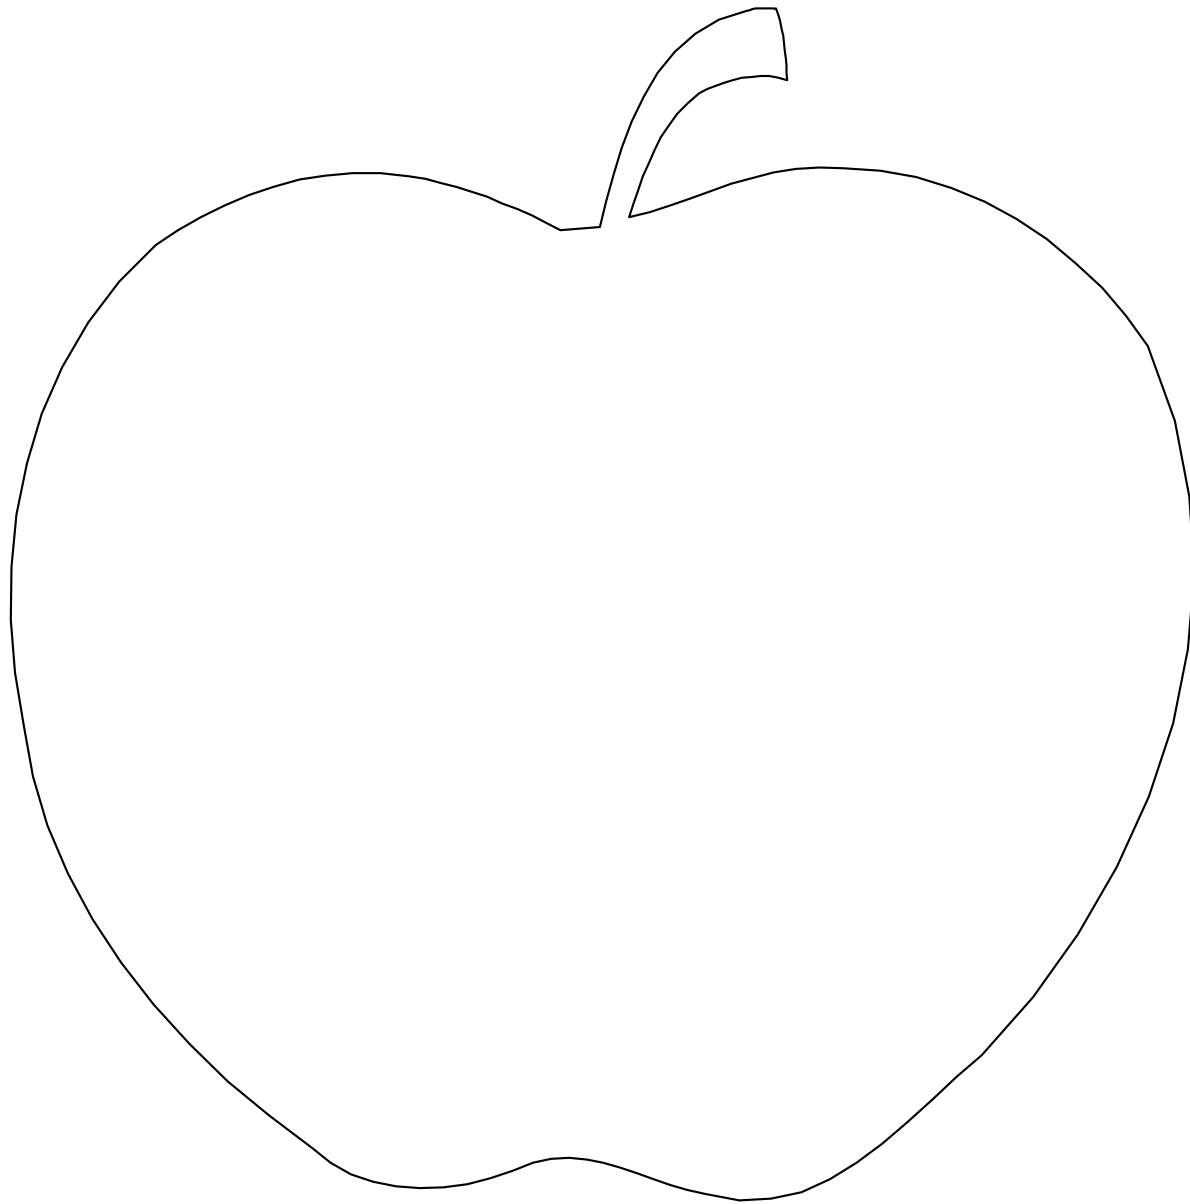

How To Use:

- *Print the apple poke page onto regular copy paper.
- *Place on top of carpet.
- *Using a toothpick or push pin, poke holes along the outline of the apple.
- *Place on a window and let the light shine through!

Variations:

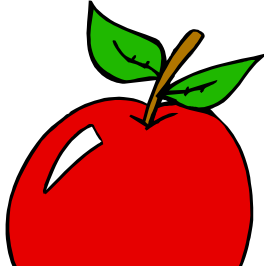

- *Tape a piece of construction paper under poke page and poke through both pieces. When finished poking holes, remove poke page and place the construction paper apple on a window to let the light shine through!
- *Place in a plastic sleeve protector and trace the apple with dry erase markers.
- *Put apple stickers all along the outline of the apple.

Apple Print Awareness

Directions:

- Help the child draw an apple on red construction paper.
- Cut out and mix up this sentence.
- Lay out all the words so the child can see them. Say the sentence in the correct order, and let him help you put them back in the right order.
- Glue the words down on the paper if your child would like.
- Read the sentence out loud, pointing to each word as you read it.
- Ask the child to try it, too!

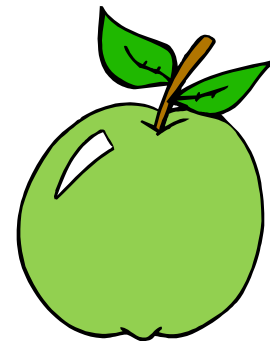

My	apple	is	big
and	red.		

Apple Print Awareness

Directions:

- Help the child draw an apple on green construction paper.
- Cut out and mix up this sentence.
- Lay out all the words so the child can see them. Say the sentence in the correct order, and let him help you put them back in the right order.
- Glue the words down on the paper if your child would like.
- Read the sentence out loud, pointing to each word as you read it.
- Ask the child to try it, too!

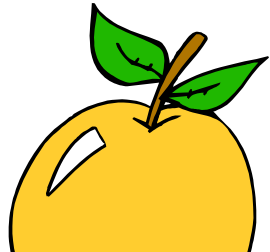

My	apple	is	big
and	green.		

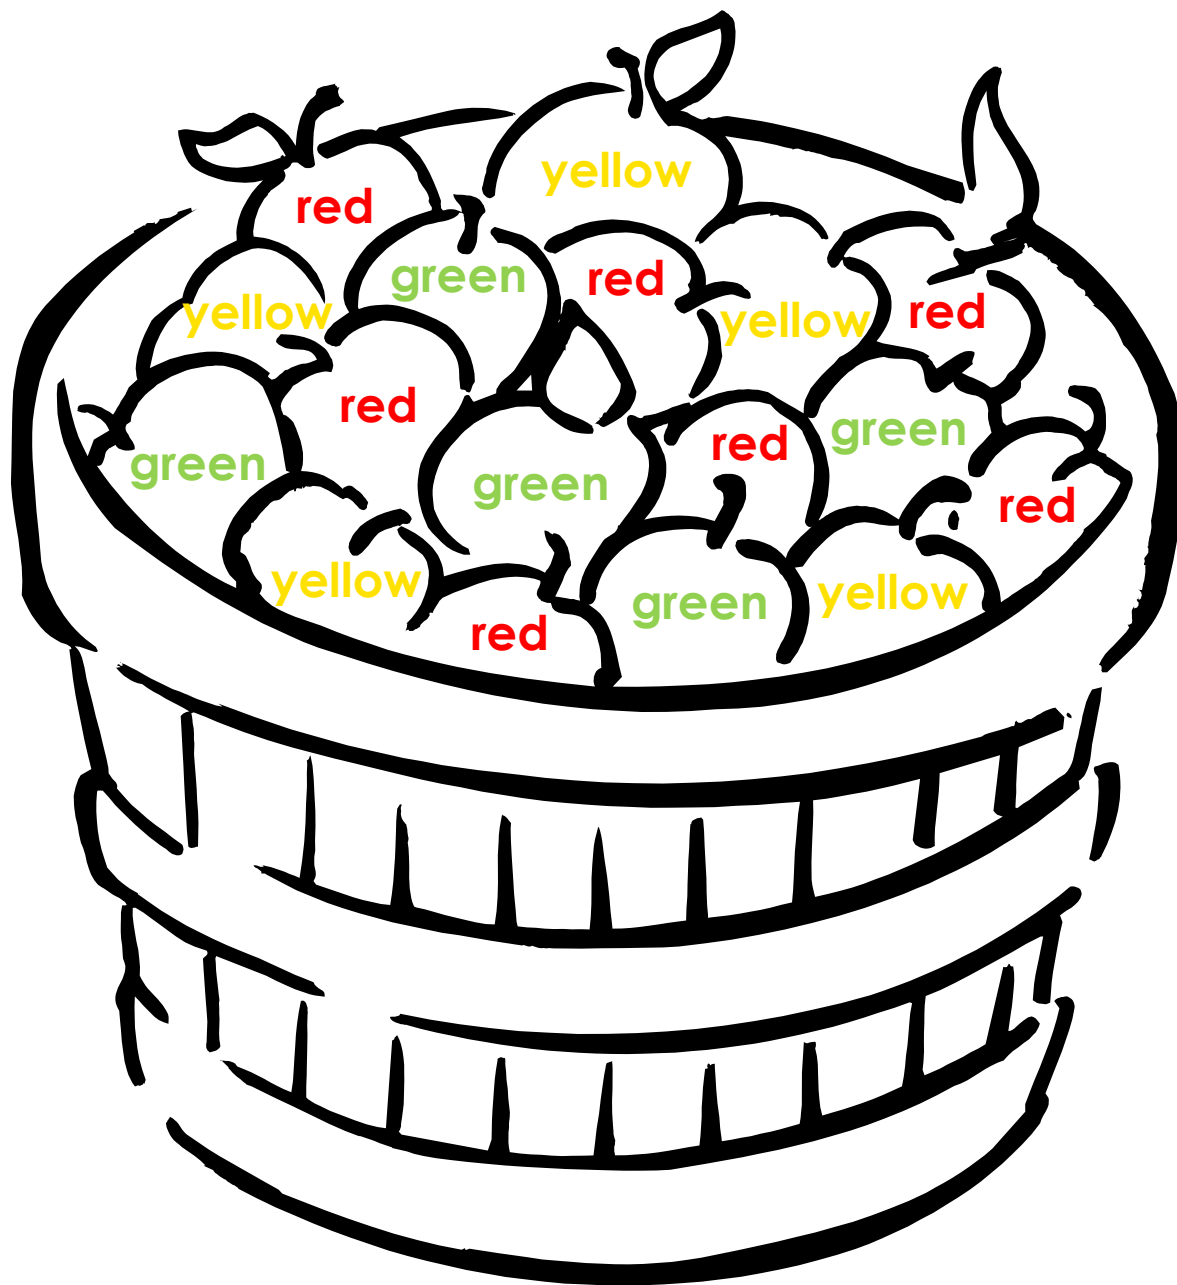

Apple Print Awareness

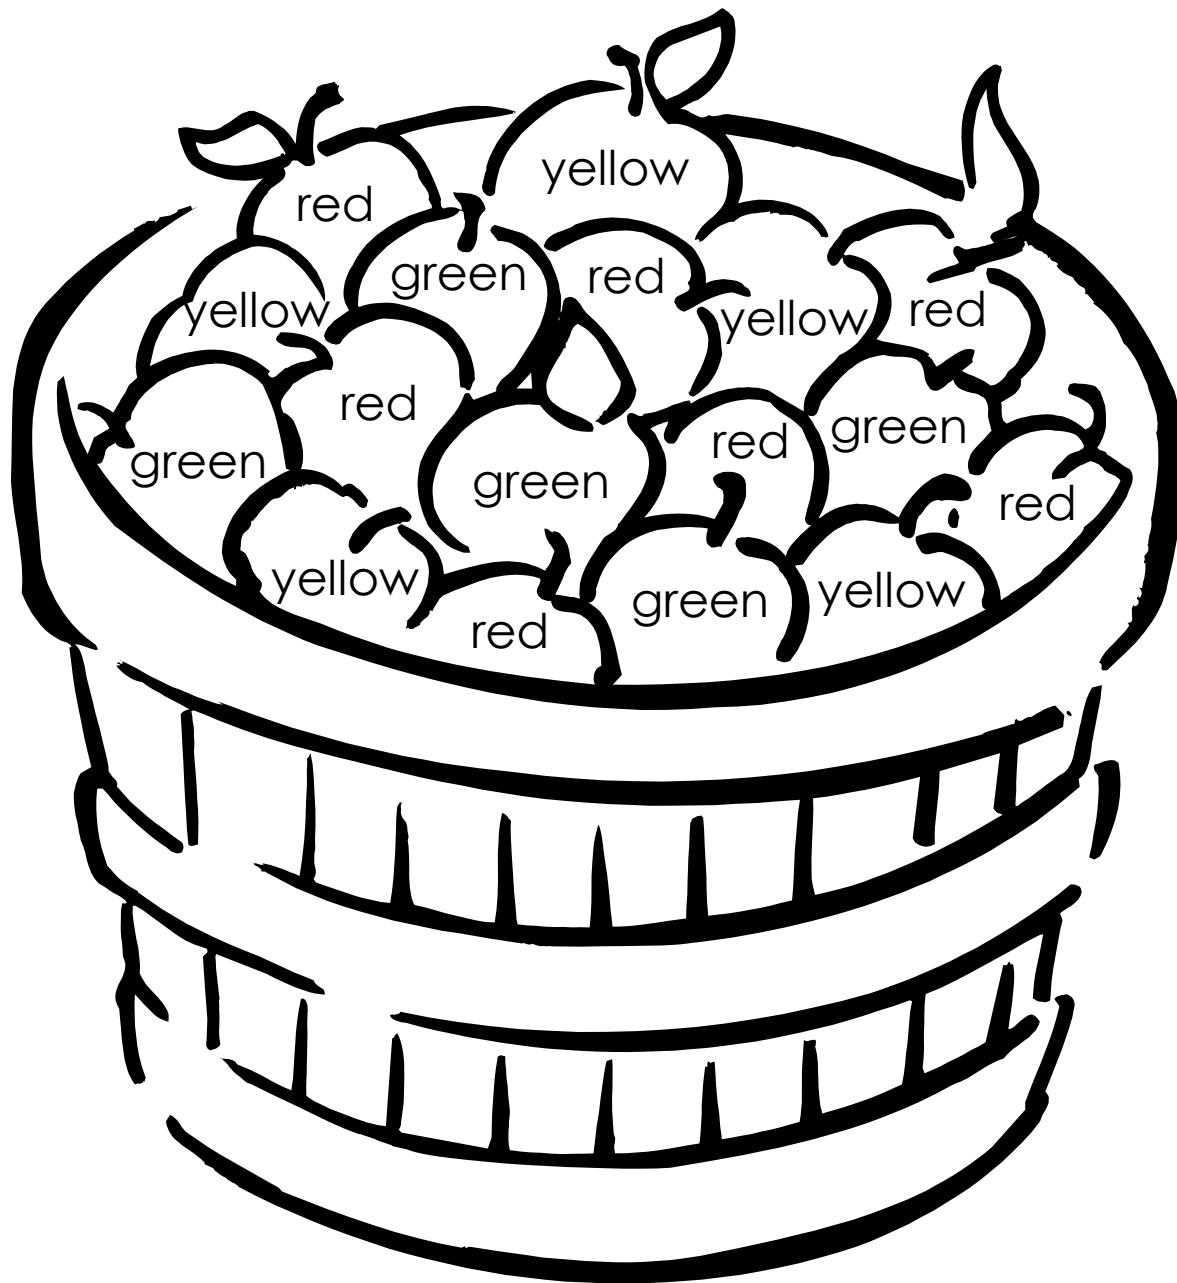

Directions:

- Help the child draw an apple on yellow construction paper.
- Cut out and mix up this sentence.
- Lay out all the words so the child can see them. Say the sentence in the correct order, and let him help you put them back in the right order.
- Glue the words down on the paper if your child would like.
- Read the sentence out loud, pointing to each word as you read it.
- Ask the child to try it, too!

My	apple	is	big
and	yellow.		

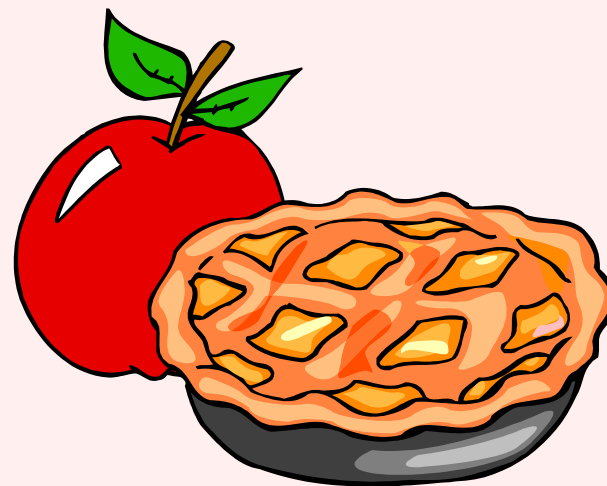

Directions:
Read each color word.
Color the apples either
red, yellow, or green.
Then color the basket.

Directions:
Read each color word.
Color the apples either
red, yellow, or green.
Then color the basket.

My, my, my. Apple Pie!

20-Grid

To Prep:

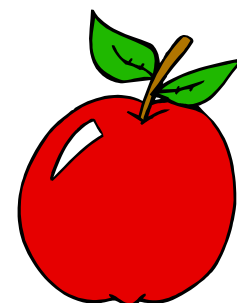

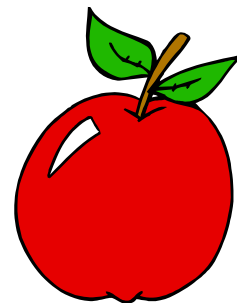

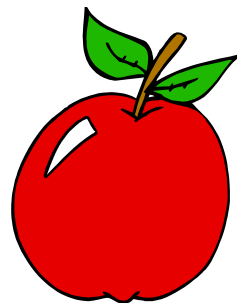

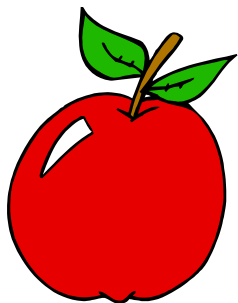

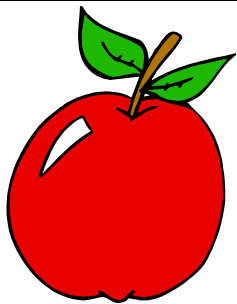

- *Print onto cardstock and laminate for durability. (Print one apple game board and one pie page for each player)
- *Cut apart pies on dotted lines.
- *Locate a die, labeled 1-6.

To Play: (for 2 players)

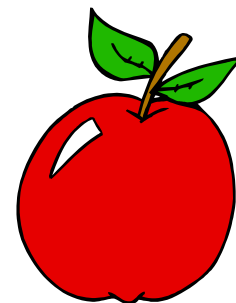

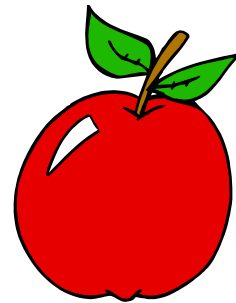

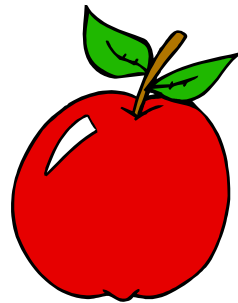

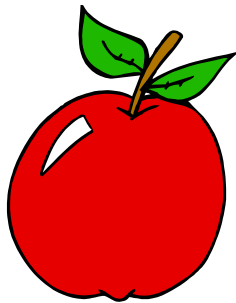

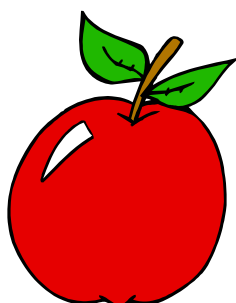

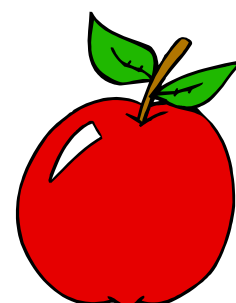

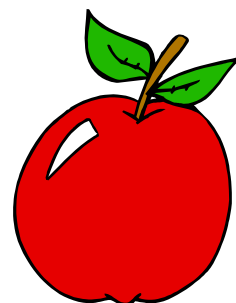

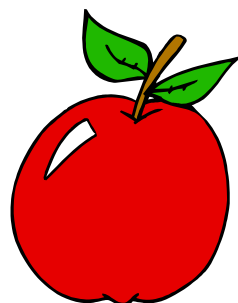

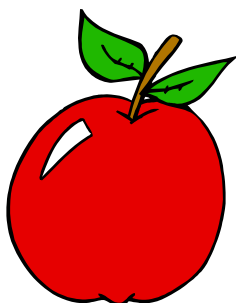

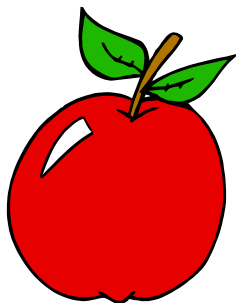

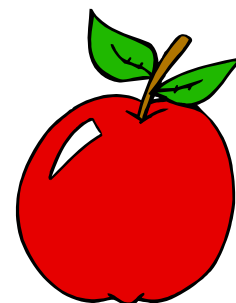

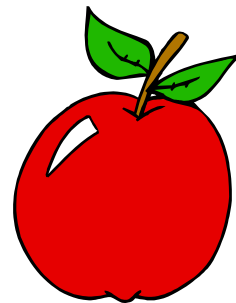

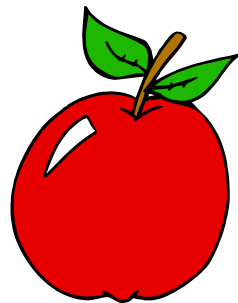

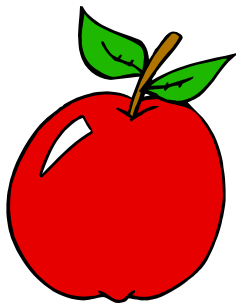

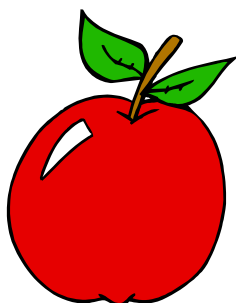

- *Each player needs an apple game board and 20 pies.
- *The first player rolls the die, counts the number of dots, and places that many pies on top of his apple game board. For example, if the player rolls a 2, he takes two pies and covers up two of his apples on his game board to "make apple pies".
- *The first player to cover all of his apples wins! He can even say, "My, my, my. Apple Pie!"

Variations: 1- If only one person is playing, he continues to roll and count the dots, placing pies onto his game board until they are all covered.

2-The pie page can be used as a cutting exercise before the game is played. Simply cut along all the horizontal dotted lines and ask the child to cut along all the vertical lines.

Apple Cut & Pattern Cards

*I recommend printing these onto cardstock to make it easier for the child to cut.

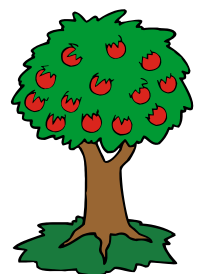

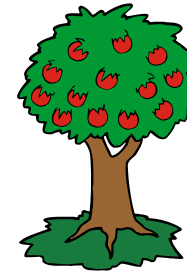

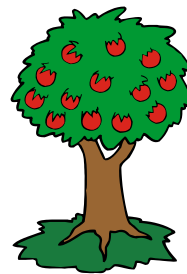

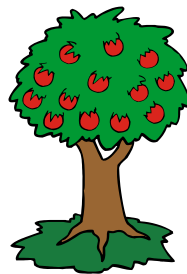

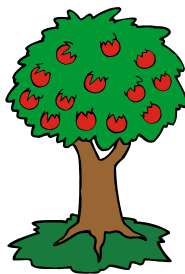

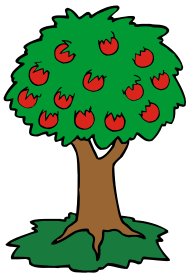

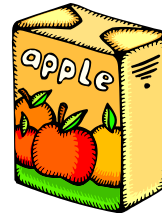

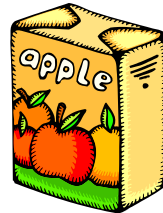

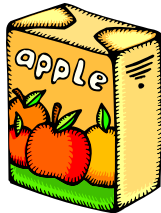

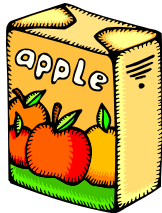

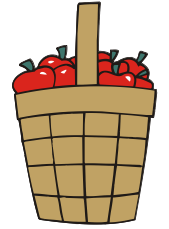

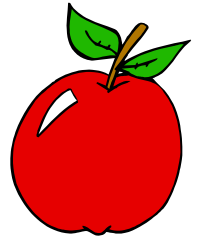

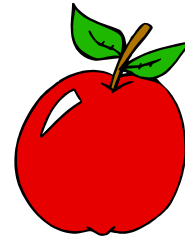

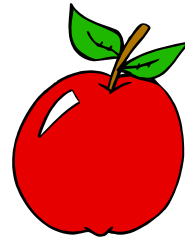

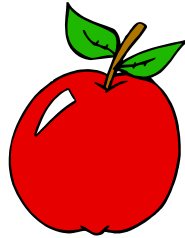

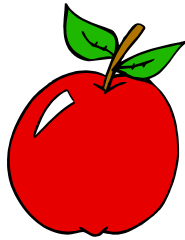

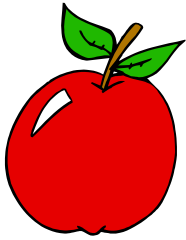

*To prepare for the child, cut along the darker, horizontal lines first to create 4 separate strips. (like the strip below)

*Give the strips to the child and ask her to cut along each dotted line to make six separate picture cards for each row.

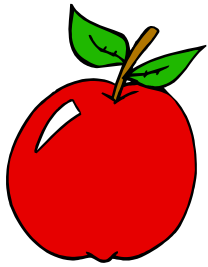

*This can be used as a stand-alone cutting activity OR the little cards can then be used to make patterns together with your child. (such as: apple, basket, apple, basket, etc.)

Apple Cut & Pattern Cards

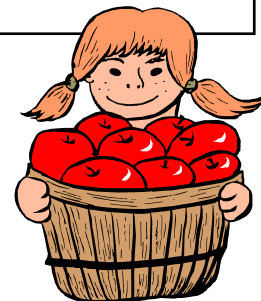

APPLE MAZE

Can you get the apple to the basket by drawing a path from 1-10?

	3	6	7	8
1	9	5	4	9
2	3	4	1	10
4	10	2	8	

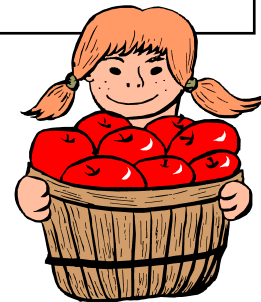

APPLE MAZE

Can you get the apple to the basket by drawing a path from 11-20?
