A diagram showing a geometric structure within a rectangular frame. The structure consists of a vertical section on the left and a horizontal section extending to the right. The vertical section is defined by a jagged left boundary, a dashed central line, and a solid right boundary. The horizontal section is a solid line sloping downwards from left to right. Three labels with leader lines point to different parts of the structure: '1b' points to the left vertical boundary, '1c' points to the horizontal sloped boundary, and '2c' points to the dashed central line of the vertical section.

The diagram shows a large square frame. Inside, a smaller square is labeled 'Kontrollquadrat / test square' with a side length of '10 cm (4 inches)'. The label '4c' is at the bottom center with an upward-pointing triangle. The label '5b' is on the left with a rightward-pointing triangle. The label '5c' is on the right with a leftward-pointing triangle. The label '6c' is at the top center with a downward-pointing triangle. In the bottom right corner, there are several parallel diagonal lines and a single black dot.
