Functional  
Clothing

This is part of our heritage. This is our playground. This is where we seek our inspiration. This is our test arena for all our products. We want to enjoy our winters no matter how cold it is and no matter how much snow there is. After all, this is where we want to live so we deal with the weather. We design smart, technically advanced and great looking winter clothes. This is what the spirit of Ketch is all about.
