

LED high power 1W downlight	
Parameter	1W(LED quantity:1PC)
Operating voltage	AC220V
Color	warm white
Diameter	diameter68MM height25MM
Material	aluminum
Ceiling Hole	55-60
Installation method	embedded installation

LED high power 3W ceiling light	
Parameter	3W(LED quantity:3PCS)
Operating voltage	AC220V
Color	White
Diameter	diameter70MM height35MM
Material	aviation aluminum
Ceiling Hole	55-60
Installation method	embedded installation

LED high power 1W downlight	
Parameter	1W(LEDquantity:1PC)
Operating voltage	AC220V
Color	white
Diameter	diameter68MM height25MM
Material	aluminum
Ceiling Hole	55-60
Installation method	embedded installation

LED high power 3W downlight	
Parameter	3W(LED quantity:3PCS)
Operating voltage	AC220V
Color	warm white
Diameter	diameter70MM height35MM
Material	aviation aluminum
Ceiling Hole	55-60
Installation method	embedded installation

LED high power 3W downlight	
Parameter	3W(LED quantity:3PCS)
Operating voltage	AC220V
Color	dimnable
Diameter	diameter70MMheight35MM
Material	aviation aluminum
Ceiling Hole	75-80
Installation method	embedded installation

LED high power 5W downlight	
Parameter	5W(LED quantity:5PCS)
Operating voltage	AC220V
Color	dimnable
Diameter	diameter75MM height40MM
Material	aviation aluminum
Ceiling Hole	90-100
Installation method	embedded installation

LED high power 5W downlight	
Parameter	5W(LED quantity:5PCS)
Operating voltage	AC220V
Color	dimnable
Diameter	diameter75MMheight55MM
Material	aviation aluminum
Ceiling Hole	90-100
Installation method	embedded installation

LED high power 9W downlight	
Parameter	9W(LED quantity:9PCS)
Operating voltage	AC220V 50-60Hz
Color	dimnable
Workmanship	abrazine
Material	aviation aluminum
opening range	110-125MM
Installation method	embedded installation

LED high power 12W downlight	
Parameter	12W(LEDquantity:12PCS)
Operating voltage	AC220V 50-60Hz
Color	dimnable
Workmanship	abrazine
Material	aviation aluminum
Opening range	110-125MM
Installation method	embedded installation

LED high power 15W downlight	
Parameter	15W(LED quantity:15PCS)
Operating voltage	AC220V 50-60Hz
Color	dimnable
Workmanship	abrazine
Material	aviation aluminum
opening range	140-150MM
Installation method	embedded installation

LED daylight lamp	
Color	white/warm white/ cold white
Nominal power	9W (0.6m) 13W (0.9m) 18W (1.2m)
Lamp brand	5630 lamp(TaiWan)
Material	aluminum alloy+ transparent cover
working life	50000h
Voltage range	90*265 V
Application place	store/hotel/office/home etc.

LED daylight lamp	
Color	white/warm white/ cold white
Nominal voltage	9W (0.6m) 13W (0.9m) 18W (1.2m)
Lamp brand	5630 lamp(TaiWan)
Material	aluminum alloy+ transparent cover
Working life	50000h
Voltage range	90*265 V
Application place	store/hospital/office/home etc.

High power bulb	
Nominal voltage	AC85V-265V
Nominal power	3W/5W/7W
input current	33mA
Color	warm white2700-3400K
Specification	E27
Color	warm white
Material	Car aluminum radiator
Angle	astigmia 120-180degree
Application place	store/hospital/office/home etc.

High power flame lamp	
Nominal voltage	AC85V-265V
Nominal power	3W/5W/7W
Input current	33mA
Color	warm white2700-3400K
Specification	E14
Color	warm white
Material	Car aluminum radiator
Angle	astigmia 120-180degree
Application place	store/hospital/office/home etc.

high power downlight	
Nominal voltage	AC85V-265V
Nominal power	3W/5W/7W
Input current	33mA
Color	warm white2700-3400K
Specification	E27/MR16
Color	warm white
Material	Car aluminum radiator
Angle	astigmia 120-180degree
Application place	store/hospital/office/home etc.

High power bulb	
Nominal voltage	AC85V-265V
Nominal power	3W/5W/7W
Input current	33mA
Color	warm white2700-3400K
Specification	E27
Color	warm white
Material	Car aluminum radiator
Angle	astigmia 120-180degree
Application place	store/hospital/office/home etc.

High power bulb	
Nominal voltage	AC85V-265V
Nominal power	3W/5W/7W
Input current	33mA
Color	warm white2700-3400K
Specification	E27
Color	warm white
Material	Car aluminum radiator
Angle	astigmia 120-180degree
Application place	store/hospital/office/home etc.

High power bulb	
Nominal voltage	AC85V-265V
Nominal power	3W/5W/7W
Input current	33mA
Color	warm white2700-3400K
Specification	E27
Color	warm white
Material	Car aluminum radiator
Angle	astigmia 120-180degree
Application place	store/hospital/office/home etc.
